2:38 PM **me:** so, Rebich coming up soon?

2:46 PM **Joshua:** nope - remember - he canceled

2:50 PM **me:** what a faggot
why?

2:51 PM **Joshua:** what's her name is bringing the kid to see him around that time
son?

i mean Son!

me: that's stupid

Joshua: now now

me: I've got more projects going on than that damned kid
anyway, I'm trying to convince Caleb to move back

Joshua: lets not say things we don't mean
oh right

me: offered him a plane ticket up here

Joshua: that's nice of you

2:52 PM **me:** wait, that would fuck up my whole Catalina thing

Joshua: i think he should take it

me: damnit

Joshua: that's also true
well how many times has she "paid out"
in "gold coins"
so to speak

2:53 PM **me:** a couple
Friday was most recent occasion

Joshua: that's nice

me: basically, three weekends in a row

Joshua: and how far into the future do you see this being fruitful

2:54 PM buy the ticket for then
i trust your judgment

me: I don't really plan ahead

Joshua: guesstimate

me: it'll be at least a couple of months before he can come up anyway

Joshua: riht

me: he needs to accrue funds

2:55 PM on the other hand, fuck him

Joshua: i can't believe that im didn't try to spell check guesstimate

good point - lets none of us have a cow

me: he's been attempting to take my girls since 6th fucking grade
seriously, I found e-mails on his old computer
to my 6th grade girlfriend

2:56 PM **Joshua:** if i remember correctly you stole catalinas number from his phone the first
time he came up to visit

me: don't remember

Joshua: you were right to do so

me: I don't think I ever called her

Joshua: doesn't matter

me: what I do remember

2:57 PM **Joshua:** go on

me: is me and caleb and her and others hanging out at Kings when I first met her
to any real extent, and I got really drunk and talked to her and later announced
that she totally wanted me
and everyone mocked me for it
WHO'S MOCKING NOW

Joshua: who wets the bed now, Millhouse

2:58 PM ?

me: I'M A REAL BOY JUST LIKE YOU
lol, that thing

Joshua: so, andrew was saying that you were planning on meeting up with him to
watch the saints game in manhattan
tonight

2:59 PM **me:** yeah, no
I specifically told him that I'm very busy
and don't like Manhattan or football

Joshua: oh yeah
forgot
lol

me: that Diamond Age is a hell of a book

3:00 PM **Joshua:** i imagine so

me: you never read it?

Joshua: nope
i was going to but career got in the way

3:01 PM probably will at some point

3:02 PM **me:** no you won't

3:03 PM **Joshua:** so, did the other girl move out
?

me: yeah
strange thing is

Joshua: why?

me: the editor of Scallywag and Vagabond might move in
drama

Joshua: i c

3:04 PM did she sleep with straub

me: Scott sort-of-kind-of hit his girlfriend by accident the other night but not really

Joshua: i c

me: also, she thinks her camera was stolen
and it probably was

Joshua: right

go on

is scott paying rent

?

3:05 PM **me:** sort of

Joshua: i c

have you thought of purging and finding new roommates

me: he's given me \$200 out of 600 for this month
and lost his job

Joshua: i c

it's the 30th

me: well, we'll see

he's apparently selling his computer

3:06 PM **Joshua:** i understand

me: and that girl is supposedly giving him a check on the 5th

3:07 PM **Joshua:** so, is his girlfriend living there too
?

me: not anymore

she left on Saturday

Joshua: so , where is this check coming from
the girl that left

me: yeah

I guess

3:08 PM anyway

Joshua: i c

well

...

me: yes

3:09 PM so, I guess I'll make him leave at some point

Joshua: it looks like john and i may not be moving out until feb

me: right

3:10 PM **Joshua:** i don't know whats going on with andrew, but insistent upon confusing the
moving process as much as possible

me: meanwhile, Melvin now says he'll pay me the \$300 he owes me

Joshua: i c
well that's nice
me: so, another swing of the pendulum
3:11 PM **Joshua:** life is a highway...
me: faaaaaaaaaaaaaaaaaaaaaaaaaaaaag
ot
Joshua: i deserve that
me: lololol
oh, so, Miriam keeps IMing me
3:12 PM she wants to have sex
what should I do?
Joshua: she said that specifically
?
that's odd
me: yes
Joshua: i dont give a shit
me: I mean, from my standpoint
not yours, dumbass
is this dangerous?
Joshua: oh, well
me: y/n?
3:13 PM **Joshua:** i would say less dangerous than other things currently present in your life
- i would - if i found her attractive
me: right
3:14 PM I haven't seen her in two years
I've already sort of led her on
because that's what I do
Joshua: yeah - maybe look at some facebook pictures first
me: I did
Joshua: and
me: hard to determine
Joshua: oh
me: seems to shift back and forth
3:15 PM **Joshua:** i don't find her to be attractive - but then again - i'm sure i've fucked girls
that you wouldn't find attractive either
i wouldn't go out of my way
me: well, of course
Joshua: yes yes
3:16 PM relative to you
me: this would be something where she comes over with liquor and pills and we
take them and have sex and then I work on my laptop until she leaves
like that last gf

on the other hand

actually, I'm going to pull the plug on this

Joshua: i understand - not like the weekend catalina visits that are emotiionally charged

3:17 PM **me:** lol

Joshua: lololol

find em fuck em and forget em

right barrett

me: |||||lol

bada bing bada boom

3:18 PM **Joshua:** stugots

3:22 PM **me:** yeah, there's no reason for me to interact with Miriam at all. Thanks, dad, you're the best.

Joshua: lol
